## **SECTION 5 Social Security**

---

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. Social Security handles the enrollment process for Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

## **SECTION 6 Medicaid** (a joint Federal and state program that helps with medical costs for some people with limited income and resources)

---

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualified Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact Nebraska Department of Health and Human Services.

## **SECTION 7 Information about programs to help people pay for their prescription drugs**

---

### **Medicare’s “Extra Help” Program**

Medicare provides “Extra Help” to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan’s monthly premium, yearly deductible, and prescription copayment. This “Extra Help” also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for “Extra Help.” Some people automatically qualify for “Extra Help” and don’t need to apply. Medicare mails a letter to people who automatically qualify for “Extra Help.”

You may be able to get “Extra Help” to pay for your prescription drug premiums and costs. To see if you qualify for getting “Extra Help,” call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213, between 7 am to 7 pm, Monday through Friday. TTY users should call 1-800-325-0778 (applications); or
- Your State Medicaid Office (applications). (See Section 6 of this chapter for contact information).

---

If you believe you have qualified for “Extra Help” and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has established a process that allows you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

- Any of the following documents will provide proof that you qualify for Extra Help. The documents can be provided by you or your pharmacist, advocate, representative, family member or other individual acting on your behalf. Please send a copy of any of these documents to:

Blue Cross and Blue Shield of Nebraska  
P.O. Box 261279  
Plano, TX 75026

- a. A copy of your Medicaid card, which includes your name and an eligibility date during the discrepant period;
- b. A report of contact, including the date a verification call was made to the State Medicaid Agency and the name, title and telephone number of the state staff person who verified the Medicaid status during the discrepant period;
- c. A copy of a state document that confirms active Medicaid status during the discrepant period;
- d. A printout from the State electronic enrollment file showing Medicaid status during the discrepant period;
- e. A screen print from the State’s Medicaid systems showing Medicaid status during the discrepant period;
- f. Other documentation provided by the State showing Medicaid status during the discrepant period;
- g. A remittance from the facility showing Medicaid payment for a full calendar month for you during the discrepant period;
- h. A copy of a state documentation that confirms Medicaid payment to the facility for a full calendar month on behalf of you;
- i. A screen print from the State’s Medicaid system showing that individual’s institutional status based on at least a full calendar month stay for Medicaid payment purposes during the discrepant period;

If you cannot provide proof of one of the documents listed above, you will need to contact the plan at 1-888-488-9850; TTY users can call 711. Hours are 8:00 a.m. to 8:00 p.m., Central time, seven days a week. You may receive a messaging service on weekends and holidays from April 1 through September 30. Please leave a message and your call will be returned the next business day. The plan will notify CMS on your behalf to assist in obtaining evidence.

- When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If

---

the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Service if you have questions (phone numbers are printed on the back cover of this booklet).

## **Medicare Coverage Gap Discount Program**

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs to Part D members who have reached the coverage gap and are not receiving "Extra Help." For brand name drugs, the 70% discount provided by manufacturers excludes any dispensing fee for costs in the gap. Members pay 25% of the negotiated price and a portion of the dispensing fee for brand name drugs.

If you reach the coverage gap, we will automatically apply the discount when your pharmacy bills you for your prescription and your Part D Explanation of Benefits (Part D EOB) will show any discount provided. Both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and move you through the coverage gap. The amount paid by the plan (5%) does not count toward your out-of-pocket costs.

You also receive some coverage for generic drugs. If you reach the coverage gap, the plan pays 75% of the price for generic drugs and you pay the remaining 25% of the price. For generic drugs, the amount paid by the plan (75%) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. Also, the dispensing fee is included as part of the cost of the drug.

The Medicare Coverage Gap Discount Program is available nationwide. Because Blue Cross Blue Shield Nebraska Medicare Advantage offers additional gap coverage during the Coverage Gap Stage, your out-of-pocket costs will sometimes be lower than the costs described here. Please go to Chapter 6, Section 6 for more information about your coverage during the Coverage Gap Stage.

If you have any questions about the availability of discounts for the drugs you are taking or about the Medicare Coverage Gap Discount Program in general, please contact Customer Service (phone numbers are printed on the back cover of this booklet).

## **What if you have coverage from an AIDS Drug Assistance Program (ADAP)? What is the AIDS Drug Assistance Program (ADAP)?**

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance *Nebraska's program is operated by the Nebraska Department of Health & Human Services*. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

---

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. Contact Nebraska Department of Health & Human Services at 1-402-559-4673.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1-402-559-4673.

**What if you get “Extra Help” from Medicare to help pay your prescription drug costs?  
Can you get the discounts?**

No. If you get “Extra Help,” you already get coverage for your prescription drug costs during the coverage gap.

**What if you don’t get a discount, and you think you should have?**

If you think that you have reached the coverage gap and did not get a discount when you paid for your brand name drug, you should review your next *Part D Explanation of Benefits* (Part D EOB) notice. If the discount doesn’t appear on your *Part D Explanation of Benefits*, you should contact us to make sure that your prescription records are correct and up-to-date. If we don’t agree that you are owed a discount, you can appeal. You can get help filing an appeal from your State Health Insurance Assistance Program (SHIP) (telephone numbers are in Section 3 of this Chapter) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If you (or your spouse) get benefits from your (or your spouse’s) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Service if you have any questions. You can ask about your (or your spouse’s) employer or retiree health benefits, premiums, or the enrollment period. (Phone numbers for Customer Service are printed on the back cover of this booklet.) You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse’s) employer or retiree group, please contact **that group’s benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.
